Greater alignment with the higher realms. Whether you intend to become a medium or your goal is to improve your connection with higher consciousness this workshop will accelerate spiritual growth.

Move to new levels of understanding how and why we connect to Higher Consciousness. You will have ample opportunities to practice with other students, with new mind-expanding exercises unlike those found in any other classes.

Experience a life-changing deeper awareness, spirit connection, and soul expansion. In this level two workshop, you will have the opportunity to delve into new understandings of how connections to higher consciousness are possible. Learn fascinating insights on your brain's

working relationship to spirit communication. Practice one-on-one readings and participate in new mind-expanding exercises with other students.
